

# Parents' Time Away

## Morning Edition

### More Information...

The purpose of McEachern's Parents' Time Away ministry is to encourage you to be the parents that God created you to be. To take the time to refresh and renew yourself and/or spend time together to strengthen your marriage. Then you will come back as stronger parents ready to help your children to be all that they were created to be, too. We want to do all we can to come along side you, give you the right tools and a chance to just get away.

Parents' Time Away is available for children 6 weeks through completed 5th grade. All of our staff are CPR/First Aid trained and up to date on our Safe Sanctuary requirements. There are age-appropriate activities planned for a morning full of fun!

- Payment must be made at time of registration, either through this link or in person on the Nursery Hallway (preferably in person to avoid PayPal and/or EventBrite fees).
- We cannot "hold" spots so please sign up early. Registration MUST be completed the Friday before event for staffing purposes.
- Registration/Policy form and the Medical Release form must be completely filled out.
- A minimum number of children is required; if we need to cancel, due to low numbers, you will be reimbursed.
- We follow Cobb County School dates. For inclement weather we may need to cancel an event.
