

McEachern Weekday Preschool Financial Agreement

Tuition is due the 1st of every month for a total of nine monthly payments. The first payment is due August 1st and the last payment is due April 1st.

Payments received after the 5th of each month will result in a \$20 late fee per family account. If ANY balance remains on the account after the 5th of any month, the \$20 late fee will be assessed. A \$15 returned check charge will be assessed for any check returned by the bank.

Checks should be made payable to McEachern UMC Preschool. It is important to put your child's name on the Memo line. Failure to do this could result in your payment not getting credited timely. Families with multiple children in the program need only write one check.

If a holiday occurs when a payment is due, it is still your responsibility to get the payment into the lockbox outside the Preschool office or to the post office box by the due date.

Discounts: Tuition is discounted if entire year is prepaid by June 30.
A \$10 sibling discount is given for second and subsequent children enrolled.

TUITION PAYMENT OPTIONS:

	Monthly Tuition	Pay tuition each month – no discount Total cost for year	Pay tuition in full by June 30 Total annual cost with a prepay discount
