

## **Adult Winter 2019 Bible Studies**

### **All classes meet in the Christian Life Center**

***Through the Bible on Sundays, 5:30-7:00 pm, begins 2/17/19 in F147***

t This study (**open to men and women**) by Dr. Alan Stringfellow presents a book by book study of the Bible. By embracing the Bible's themes and truths, you'll be better prepared to meet life's daily challenges. The group will be studying the Old Testament, beginning with Job. Facilitated by Don and Gail Hendershot

***The Amazing Life of Jesus Christ on Wednesdays, 9:30-11:45 am, begins 1/23/19 in F326***

Part 2 of this NEW DVD study (**open to men & women**) follows our Savior as He walked among us more than 2,000 years ago. It will transform the way you see the Son of God. From His pre-existence at creation to His death and resurrection, this scripture-saturated study through the gospels turns familiar Sunday School stories into fresh, life-changing truths. Facilitated by Diane Moeller.

***Lord, Change My Attitude on Wednesdays, 9:30 –11:30 am, begins 1/9/19 in F321***

This 10 week **women's group** DVD study by James McDonald is based on the Israelites' journey out of Egypt-with lots of contemporary examples. The author shows how attitudes can affect whether someone stays in the wilderness with negative attitudes or enjoys the blessings of the promised land with God-honoring attitudes. Please purchase a workbook in advance (not the red book with the same title).

Facilitated by Teresa McDaniel.

***Discerning the Voice of God on Wednesdays , 9:30-11:30 am, begins 1/9/19 in F316***

This ongoing DVD study (**open to women**) by Priscilla Shirer explores the belief that God desires a personal relationship in which He speaks directly to you. It provides participants with practical help in knowing what you hear is from God. Through this study, you will become more familiar with God's Holy Spirit, His character, language and tone of voice. The more intimate your relationship with God, the clearer his voice becomes. Due to a participant's sever sensitivity to scented products, we ask that on meeting days, participants refrain from the use of perfume and other scented products.
